

Amazing Race Camp

Amazing Race Camp is based on the TV show, "The Amazing Race". The goal of the camp is to teach campers the value of team-work and to give them a multicultural learning experience with lots of fun along the way!

Campers will be placed on teams where they will have to work together to accomplish the tasks set before them. Teams are given the necessary materials needed to 'travel' from 'country to country'. Each team will face the same challenges as they work their way from one country to the next. Campers will learn about each country they visit and their challenges will incorporate the culture of the country they are visiting. Teams that visit all the 'countries' and completes all of the challenges will be our Amazing Race Champions!
